

Dear Insured,

~Attention~

The RMA has made a major change in Double Crop Soybeans. DOUBLE CROP SOYBEANS WILL HAVE TO BE INSURED.

You will be able to set up a separate Enterprise unit so you don't have to tie them to your full season if you qualify.

WE WILL BE IN CONTACT WITH EACH INSURED TO GET HISTORY IF WE DO NOT HAVE IT.

Questions? Contact us at 785-479-5593 or 888-408-7487, or attend one of our upcoming meetings!

These are the counties this affects: Chase, Dickinson, Franklin, Geary, McPherson, Marion, Miami, Morris, Saline, Wabaunsee
