NEWSLETTER DELIVERY

If you would like to receive your monthly newsletter via email, please call our office with your email information.

Be sure you are accurate when reporting acres. If you do estimate, or plant a partial field, draw to show the area planted AND write down your estimated acres.

PLEASE CONSIDER

When tenants have power of attorney (POA) to sign loss documents for their landlords—landlords get paid MUCH faster. It is a great convenience for landlords to have tenants sign loss documents as well as acreage and production reports. *However, this should not replace communication between tenant and landlord.* Landlords...if your tenant has POA at FSA for you, request FSA to fax our office a copy at 479-5505 or contact us for a form.
